

Companies looking to locate here

Cels is always happy to assist healthcare businesses that are looking to relocate to the North East.

We have close relationships with a number of organisations and agencies across the region which provide funding for business expansion. We can put you in touch with these potential sources of investment and can also facilitate introductions with key government organisations, business parks and healthcare clusters worldwide.

Cels can provide access to high specification business and research premises throughout the region and also offers business support in all areas.

Through HealthConnect, our healthcare network, we offer a number of membership benefits, from exclusive discounts and rewards to expert business and scientific advice. We also hold a series of events which provide great networking opportunities.
